Dear Friends of Ken Dunkin:

In accordance with Section 16.03.9 of the policy manual of the State Board of Elections, our agency is seeking to terminate Friends of Ken Dunkin as an active committee. The Campaign Disclosure Division may choose to administratively terminate a political committee that has been determined by the Division to be, among other things, inactive. This determination has been made based on the fact that this Committee has not filed any required reports since 1/15/2021. This letter will serve as notice required under Section 16.03.9 to the chairman, treasurer, and any candidate listed on the D-1 Statement of Organization for the Committee.

The Committee owes an outstanding fine in the amount of \$7775 for failure to timely file required reports, which will not abate. Please note that any successor committee to a terminated committee will also be liable for the outstanding penalty. A successor committee is defined by rule as a committee that is composed of one or more of the same officers, or for the same purpose or for the support of the candidacy of the same person, irrespective of office, as the terminated committee.

If the Campaign Disclosure Division receives no response from the committee within 30 days (by **April 23, 2022**), it will be classified as inactive and terminated. If you do not wish for this Committee to be terminated, you must notify us within 30 days of this notice and file the required report(s).

If you have any questions, please feel free to contact our office at 217-782-4141.

Sincerely,

Tom Newman, Director  
Division of Campaign Disclosure
